The Care of Tiffany Lamp

Use dry and clean textile to clean up whenever any kind of dust or dirt falls on shade and base.

To shine up shade, welding lines and base, use liquid-spray type wax to spray on shade and base then clean up by dry and clean textile.

Important Safety Instructions:

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If it does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted.
